

Welcome to the better way to get **healthy skin**

If you're having problems with your skin, HealthiestYou Dermatology can help.

Instead of waiting weeks to get an appointment, you can get a diagnosis and treatment plan in just two business days. HealthiestYou's board-certified dermatologists treat a wide variety of skin conditions by web or app, including psoriasis, acne, moles, rosacea, and more.

The process is simple and easy:

- ① Log in to your account and request a Dermatology consult.
- ② Answer a few questions about your skin condition.
- ③ Take three or more photos of your skin condition and upload them for the doctor to view.
- ④ Within two business days, you'll receive a diagnosis and treatment plan from a board-certified dermatologist.
- ⑤ If medication is prescribed, it will be sent electronically to your preferred pharmacy.
