

# Welcome to HealthEZ

## We're here to make your life easier.

We partner with Danimer Scientific to administer your medical benefits.

The following information can be helpful when scheduling medical appointments and visiting providers:

- We are a third-party administrator, responsible for processing and paying your medical bills, along with verifying your eligibility & benefits with providers.
- You have access to a preferred network of providers and facilities through Aetna. Aetna is your network of providers, not your insurance.
- Your providers will need to call HealthEZ or visit [myhealthez.com/provider](http://myhealthez.com/provider) to confirm your eligibility and benefits, not Aetna.

## Understanding Your ID Card

Need to confirm if you are active? Or what benefits are covered? Call your custom phone number at 855-290-1413 or visit [DanimerScientificBenefits.com](http://DanimerScientificBenefits.com)

- HealthEZ administers your plan, manages your eligibility and benefits, and pays your medical bills.
- Your medical network is Aetna. Providers in network offer services at a discounted rate.
- Your Group ID connects you with Danimer Scientific.
- Your Subscriber ID is a unique number for you and your enrolled dependent(s).
- Your pharmacy enters this information, along with your subscriber ID, to process your medications.
- HealthEZ Customer Service for you and your custom benefits website.
- Resources at HealthEZ for your provider to verify eligibility, benefits, or discuss billing questions.
- Billing information for your medical provider to submit medical bills.
- EHIM is your pharmacy benefit manager. HealthEZ works with EHIM to process your prescriptions towards your benefits. If you or your pharmacy have a specific prescription question, you can contact EHIM over the phone or visit their website.
